

Disassembly instruction/Vejledning til afmontering LED

Switch off electric supply to luminaire

Sluk for strømforsyningen til armaturet

Dismantle luminaire

Montera ned armaturen

See the mounting instruction for your product for guidance

Se monteringsvejledningen til dit produkt for vejledning

Disassemble luminaire

Montera isär armaturen

Use suitable tools to loosen screws and other fastenings

Brug egnet værktøj til at løsne skruer og andre fæstninger

Remove glare protection, reflectors, lenses and/or other components to locate LED/light source

Fjern dæksler, reflektorer, linser og/eller andre komponenter for at lokalisere LED/lyskilde

COB behind reflector
COB bag reflektor

LED-card behind lens
LED-kort bag linsen

LED-kort integrated in Beta Opti glare protection
LED-kort integreret i Beta Opti-blændingsbeskyttelse

Disassembly instruction/Vejledning til afmontering LED

Identify light sources

Identifikation af lyskilder

Different light sources/Forskellige lyskilder

Linear LED-cards/Lineær LED-kort

COB

Round LED-cards/Runde LED-kort

Square LED-cards/Firkantet LED-kort

Fastenings for LED-cards/Beslag til LED-kort

Screw/Skrue

Klips

Flap/Klap

Identify electrical components

Identificering af elektriske komponenter

Different electrical components/Forskellige elektriske komponenter

Drivers/Driver

PSU

Sensor units/Sensor enheder

Batteries/Batterier

Separate different material types and dispatch to recycling plant

Adskil forskellige typer materialer og bring dem til en genbrugsstation
